

What can I help you with?

The Phone

Alice is a shy girl. She has been very shy as long as she can remember. Because of this, she barely had any friends. Since a long time ago, Alice has wished and wished to be not shy anymore and have good conversations with people, and not being the awkward one every time she speaks with others.

On her 16th birthday, Alice's mother has bought her a new iPhone, and the story [begins...](#)
